

**1. 性能指标**

|         |                                  |
|---------|----------------------------------|
| 功率      | 700W, 1000W, 1200W, 1400W, 1600W |
| Airflow | 2.0 m³/分钟                        |
| 噪音      | < 78 dB                          |
| 静压      | > 20Kpa                          |
| 额定功率    | 230W                             |
| 噪音等级    | 5 级                              |

**2. 主要特点**

- 智能控制;
- 智能控制;
- HEPA 智能控制;
- ERP2 智能控制;
- Airflow 智能控制;
- 360° 智能控制

**3. 尺寸规格**

|               |                 |        |
|---------------|-----------------|--------|
| 主机尺寸 (mm)     | 330 * 236 * 300 |        |
| 整机尺寸 (mm)     | 380 * 280 * 330 |        |
| Quantity(PCS) | 数量 10 个         |        |
| 20' 柜高        | 40' 柜高          | 40' HC |
| 850           | 1800            | 2020   |

**4. 品牌 Pontone 品牌**

# Production Process

Injection Moulding Machine

Assembly Line

Parts of Testing Equipments

Raw Material Warehouse & Finished Product Warehouse
