

1.Specification

Power	100W, 1200W, 1400W, 1600W, 1800W
Capacity	2.0m ³ / min
Sound Power	71dB
Pressure	20-23Kpa
Power Consumption	200-280W
Length	5M

2.Features

- High efficiency and low noise;
- High capacity;
- HEPA filter;
- Automatic rewinder;
- Low power consumption;
- High speed and high accuracy;
- High precision and high stability.

3.Packing

Dimensions (mm)	445 * 310 * 335	
Dimensions (mm)	485 * 340 * 365	
Weight (kg)		
20'GP	40'GP	40'HC
480	950	1150

4.Any Pontone

Production Process

Injection Moulding Machine
