

1.Specification

Power	1000W, 1200W, 1400W, 1600W, 1800W
Flow rate	1.8m³ / min
Noise	76dB
Pressure	18-23Kpa
Power consumption	200-300W
Working time	500 min

2.Features

1. High power / High flow rate / High pressure;
2. Low noise;
3. High efficiency HEPA filter;
4. Low power consumption;
5. Long working time;
6. Low power consumption;
7. High efficiency HEPA filter

3. Package
